**IBA MEMBERSHIP:** Your IBA membership must be current to apply for an IBA grant. If your membership is not current, you will be notified that for your application to be considered, a current membership is required. To learn more about IBA membership, [visit the IBA website](#) or contact the [IBA Director of Transition](#).

#### FORMAT OF THE PROPOSAL:

- **Page limits:** Proposal body (the main part) - 4 pages maximum, including the summary budget.
- **Project objectives:** Describe objectives that will be accomplished with requested funds. If pertinent, also describe objectives of larger project of which the proposed project is a component.

- **Project methods:** Describe how requested funds will be used to accomplish objectives.
- **Completion schedule and proposed products from project:** Be specific about months in which products will be accomplished, when progress reports will be submitted to the IBA, and when funds from the IBA need to be received.
- **Additional comments:** Optional section for additional items you think will help the review committee evaluate your proposal. Geographic coordinates are often very helpful.
- **Summary budget:** Follow the pattern of the table below. The usual maximum support is US \$10,000. in any year and US \$15,000. in any three-year period. The minimum proposal amount considered is US \$500.
